Include your email address! If you want to maintain extra anonymity, we recommend you get a free email account at Hotmail (or a similar provider).

Please make sure you have the correct postage for mail to the United States.

Please allow up to a couple of weeks for delivery and processing time. We will email your Username and Password. We usually send this to you within a day of getting your mail, but please be patient. This system has worked very well and we have received mail-ins from all over Europe and even as far away as Australia. So don't let the distance get in the way!

If you are hesitant about sending money to an address on a website that you fear may be out of date, then please email us first and we will respond accordingly.

Thank you so much for your cooperation!
